

Excellent health and care for everyone,  
everywhere, every time.

Dear Piercy Respite Hotel Guest,

In May 2009, the Piercy Respite Hotel became a licensed facility and as such, is regulated by the Provincial Licensing Regulations for Care Facilities.

Under these regulations, the Piercy Respite Hotel is required to use a central pharmacy for all medications including over-the-counter medications for all guests. The Forbes Pharmacy will work with you, your physician, and your regular pharmacist to ensure that all of your medications are professionally packaged in a consistent manner of the duration of your stay. When you have confirmed the dates of your stay, please telephone Forbes Pharmacy at least seven (7) days before you arrive. You can reach the pharmacist by telephone at **250-595-1471**, or visit in person at **1775 Fort Street**.

For many people, there is no additional cost associated with this service. The Pharmacist will be pleased to review any cost implications for your individual coverage when he/she is speaking with you.

If you have any questions, please feel free to contact me.

Sincerely

Lorne Charbonneau  
Manager, Community Health Services
