- Health care resources

Our approach... Health Care is about relationships

Health care providers, our patients, our teams, our communities

Access to Health Care Services

- Primary and Community Care
- Surgical Services
- Rural and Remote Health Services

Opioid Overdose Crisis

CARRY A NALOXONE KIT

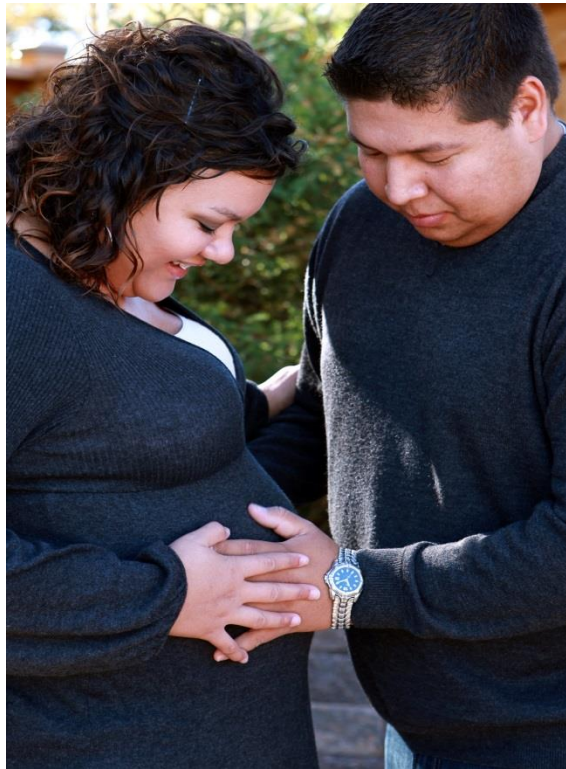

CALL 9-1-1

#STOPOVERDOSE

Population Health needs

- Indigenous Health
- Population Health and Health Promotion

Quality and Safety

- Health and Human Resources
- Continuous improvement, sustainment and research

Health infrastructure and innovation

- Island Health Hospitals and infrastructure
- Health innovation and technology

*A different today
for a better
tomorrow*

Our direction

- Deliver the Ministry of Health's priorities

**Excellent Care - for everyone, every
where, every time.**
