

Hello, Cowichan!

Let's talk about health care in your community.

We want to hear your thoughts and answer your questions about the future for health care in the Cowichan Valley, including the state of planning to replace Cowichan District Hospital.

Come & meet local health leaders and the team working to improve services in your community.

Let's work together to support better health and wellness in the Cowichan Valley.

Drop-in, open house info sessions:
