

Notice for Neighbours of Bell McKinnon, Anzio, Westcott & Norcross Road

The Cowichan District Hospital redevelopment team, along with our heliport consultant, will be conducting a low level flight over the proposed hospital site and surrounding properties on December 10, 2018 between 10:30AM and noon.

This flight is being conducted to assess the proposed site for a future hospital helipad and start the planning process to determine the optimal flight path.

Traffic flow will not be interrupted.

This flight has been approved by Transport Canada and is in compliance with all regulatory requirements.

Visit our website at: www.islandhealth.ca/newcdh for more information.

Email newcdh@viha.ca to ask questions, provide feedback, or sign up for project updates by email.
