When you have to go to Hospital just remember...

- Bring your BC Care Card & Status Card.
- Bring a list of medications you are taking prescription and non-prescription.
- Slippers and toiletries.
- Check with your Band prior to hospitalization for medical coverage, travel assistance, meals, accommodation guidelines.
- In Emergency situations contact your Band to arrange for transfer of eligible funding.
- Before you see the doctor write down your questions so they are answered.

What the Liaison Nurse can do for you and your family while in Hospital

- Advocate on your behalf.
- Visit and provide support and information to you and your family members.
- Explain health care issues
- With your approval—keep family and care givers up -to-date
- Refer you to available community services
- Provide education and awareness about first nations to hospital staff
- Consult with Doctors, hospital staff, care providers, & community.
- Connect you with an Elder for spiritual and emotional support and assist with cultural needs.
