

**Current Average Wait Times for Island Health Long-Term Care Homes: Updated November 1st, 2021**

Average wait times listed here are to enable clients to compare wait times site to site and are not a guarantee of individual wait times. The wait times provided are averages and vary depending on the number of people waiting, size of the care home, number of available beds, and situations requiring emergency admissions. An individual's actual wait time will be dependant on their specific needs and may be longer or shorter than the average.

**\*\*Island Health has been closely adhering to the COVID -19 guidelines and the restrictions put in place by our Provincial Health Officer Dr. Bonnie Henry. Subsequently, there may be a substantial increase in wait time for clients moving to LTC during the current pandemic.**

| Care Home                      | Location            | Average Wait Time                             |
