About the Greater Victoria Eldercare Foundation

Mission

The Greater Victoria Eldercare Foundation enhances the care, comfort and dignity of elderly persons living in our community. We accomplish this by raising funds for equipment, environmental enhancement, community support, research and education.

The Foundation directly supports the residents of the Aberdeen, Mt. Tolmie, Glengarry and Priory/Heritage Woods long-term care facilities. The Foundation also supports community programs for seniors such as the Western Communities Adult Day Centre, the Community Bathing Program, and the Hillside Seniors Health Centre.

In addition, the Foundation generally supports the care of elderly persons living in Greater Victoria through our Embrace Aging community initiative.

Funding

The Foundation is not funded by the Government. We rely on donations from individuals, businesses and service clubs. The Foundation raises money to purchase equipment, home-like enhancements, and provides funding to improve the care, comfort and quality of life for our community's seniors and their family caregivers. Your support is appreciated!
